# EuroStyle Client Chair for Manicure Table

Item #719039: Black Client

Item #719043: Rich Cream

Size: 31" L x 26" W x 42" H.

1. Screw off all the long and short screws from the chair seat using the allen key.
2. Place the hydraulic control under the chair seat. Make sure the position of the hydraulic control's handle is on your left.
3. Screw the 2 long screws on the top in the direction toward the chair seat's edge.
4. Screw the 2 short screws on the bottom in the direction toward the chair seat's back.
5. Make sure all the screws are tightly secured.
6. Insert the shorter end of pole into the hydraulic control. Make sure it is secured.
7. Attach the chair base to the pole. Make sure it is securely attached.
8. Place one pole encasement on the top of the chair base.
9. Place the second pole encasement underneath the chair's base.
10. Make sure everything is secured before use.
