1. Identification of the substance/preparation and the company/undertaking

Product Name
BCL SPA Jasmine Coconut Salt Soak

Manufacturer
Bio Creative Labs
350 Kalmus Drive
Costa Mesa, CA 92626
USA

Product information
See certificate of analysis

Emergency telephone number
714-352-3600

End use:
Cosmetic hand preparation

2. Composition / information on ingredients

Chemical characterization
Essential oils and extracts.

3. Hazards identification

Statement of hazard
The product does not require a hazard warning label in accordance with EC Directives.

No known hazards to skin, mild eye irritation may occur
Observe the usual precautions when handling chemicals.

4. First aid measures

General Information
Soiled material can be washed and removed in non-hazardous fashion.

Inhalation
No inhalation hazard.

Skin
Rinse with soap and water.

Eyes
Rinse for 10-15 minutes. If symptoms persist Call a physician
Ingestion
May cause irritation, discomfort, nausea.

Notes to physician

Main symptoms
None known.

Treatment
Treat Symptomatically.

5. Fire-fighting measures

Suitable extinguishing media
foam. Dry powder. Cardon dioxide (CO2). Water spray

Extinguishing media which must not be used for safety reasons
Do not use a solid water stream as it may scatter and spread fire.

Special exposure hazards arising from the substance or preparation itself, its combustion, or released gases
None known.

Special protective equipment for fire-fighters
Wear self contained breathing apparatus for fire fighting if necessary.

Environmental precautions
Dike and collect water used to fight fire.

Other Information
This is a water-base product and presents no particular fire or explosion hazard.

6. Accidental release measures

Personal precautions
None known.

Environmental precautions
Do not allow material to contaminate ground water system. Product is safe for general sewer system.

Methods for cleaning up
Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Keep in suitable, close containers for disposal. Contaminated equipment (brush, rags) must be cleaned immediately with water. Dispose of in accordance with local regulations.

7. Handling and storage

Handling
Safety Data Sheet In Accordance with 2001/58/EC

Advice on safe handling
No special measures required

Protection - fire and explosion
No special measures required

Storage
Material Storage
Protect from frost. To maintain product quality, do not store in heat or direct sunlight. Keep at temperatures between 5 and 35 °C (40 and 95°F)

Technical measures/Storage conditions
Keep tightly close in a dry and cool place. No special technical protective measures required.

Incompatible products
No special restrictions on storage with other products.

German storage class
12: Non-combustible liquids.

8. Exposure controls / personal protection

National occupational exposure limits (Germany)
No exposure limits established

ACGIH Exposure Limits

Exposure controls

Engineering measures
No special measures required

Personal protective equipment

General advice
Avoid contact with eyes

Hygiene measures
Wash hands before breaks and at the end of workday. When using, do not eat, drink or smoke. Take off all contaminated clothing immediately. Wash contaminated clothing before re-use.

Eye protection
Safety Glasses
Hand protection
Chemicals resistant gloves
Suitable material: Rubber gloves recommended, but not required.

9. Physical and chemical properties

Appearance
Form: small crystals
Colour: white
Odor: Jasmine Coconut

Flash point: Not Applicable
Melting point/range: Not Applicable
Boiling point/range: Not Applicable
pH: Not Applicable
Viscosity: Not Applicable
Vapor pressure: Not Applicable
Water solubility: Anhydrous

10. Stability and reactivity

Stability: Stable under recommended storage conditions
Conditions to avoid: Do not freeze
Materials to avoid: None known
Thermal decomposition: No known hazardous decomposition
Hazardous reactions: No hazards to be especially mentioned.

11. Toxicological information

Toxicological data are not available. Observe the usual hygienic measures for handling chemicals.

12. Ecological information

Ecotoxicological data are not available. According to experience, the material has no harmful effect on the environment.
13. Disposal Considerations

**Product information**
Disposal required in the compliance with all waste management related state and local regulations. The choice of the appropriate method of disposal depends on the product composition by the time of disposal as well as the local statutes and possibilities for disposal. Diluted solution may be introduced into a biological purification plant, with permission of the responsible authorities.

**Uncleaned empty packaging**
Contaminate packaging should be emptied as far as possible and after appropriate cleansing may be taken for reuse. Regulation concerning reuse or disposal of used packaging materials must be observed.

**European Waste Catalogue**
Allocation of a waste code number, according to the European Waste Catalogue (EWC), should be carried out in agreement with the regional waste disposal Company.

14. Transport information

**ADR/RID**
Not regulated

**ADNR**
Not regulated

**ICAO/IATA**
Not regulated

**IMDG**
Not regulated

15. Regulatory information

**Labeling in accordance with EC directives**
The product does not require a hazard warning label in accordance with EC directives/the relevant national laws.

**Water Hazard Class (WGK):**
- **WGK Class**: 1
- **WGK Reg-Nr.**: NA
- **WGK Source**: Classification according to VmVmS, Annex 1 or 2

16. Other information

**For further information, see:**
For more information please see certificate of analysis.
**Other Information**

Product is safe to use on skin. Use as directed.

Changes against the previous version are marked by ***

**Sources of key data used to compile the datasheet**

Information contained in this safety data sheet is based on Bio Creative Labs owned data and public sources deemed valid or acceptable. The absence of data elements required by ANSI or 2001/58/EC indicates, that no data meeting these requirements is available.

**Further information**

This information is bases on our present state of knowledge. It shall describe our products regarding safety requirements and shall not be construed as a guarantee or statement of condition and/or quality.
